

When you donate
\$10000

...to the Royal Children's Hospital.

You'll get all this...

- Your company logo on our team shirt

We'll have approx 500 team members in the Run for the Kids, including champions from the AFL, NBA, WNBL, NBL, Aussie Netball, Olympians and Paralympians.

- We'll network your arse off

We get plenty of sponsors, our team is loaded with Melbourne's sporting/corporate elite and our team will like be 500-strong! We'll make sure you get plenty of love amongst us.

- You're on board the #1 team

Yes it's a fun-run. Yes it's for charity. But, YES, we love the fact that from the 30,000 participants we've been the #1 team for 2 year's running (raising over \$87,000).

- Marketing via web + social media

We've got a geek streak and will use skills to backlink to your website from www.team100k.org (we'll put your logo and company bio up) and Facebook spruiking.

- Good karma - yeah, we said it.
